

Baby Items Memory Game Suggestions

Collect as many baby items for this game as you can. Suggested items are a Pacifier, Diaper Pins, Cotton Balls, Bottle, Baby Spoon, Dish, Video, Nursery Songs CD, Book, Booties, Teething Ring, Thermometer, Ear Syringe, Bath Toy, Lotion, Socks, Baby Shoes, Bib, Bonnet, Baby Powder, Soap, Rattle, Diaper, Baby Food, Fingernail Clippers, Baby Oragel, Newborn size T-Shirt, Rubber Ducky, Comb and Brush.

A large cookie sheet works well to put all items on, or wrap a flat box in baby wrapping paper, (a cardboard soda pop case works well.)

Carry around to each guest giving each one a chance to see the items. Put tray away or cover.

Time allowed will depend on how many items you have. Usually two or three minutes is enough time. The baby items would also make a great gift for the new mommy.
